I, *J. A. Kerr* of the *City* of *Belleville* in the

1. I have, according to the best of my information and belief, set down in the above assessment roll all the real property
liable to taxation situated in the municipality (b) of *Belleville* *mean for city*
and I have justly and truly assessed each of the parcels of real property so set down at its actual value.

2. I have estimated and set down, according to the best of my information and belief, in said assessment roll, the
amounts assessable against every person named in said roll, for the purpose of the tax in respect of his trade, business,
profession, or calling, and in respect of his income.

3. I have entered therein the names of all the residents, tenants, and freeholders, and of all other persons of whose
names I am aware or who have required their names to be entered therein, with the true account of property occupied or
owned by each; and I have not entered the name of any person whom I do not truly believe to be a tenant or freeholder, or

4. According to the best of my knowledge and belief, I have entered therein the name of every person entitled to be

name of any person whom I knew or had good reason to believe to be entitled to be entered therein under any or either

name, with the intent to give to any person not entitled to vote, a right of voting; and I have not intentionally omitted
from the said roll the name of any person whom I believe to be entitled to be placed therein, nor have I, in order to deprive
any person of the right of voting, omitted from column 4, opposite the name of such person, any letter or letters which I
ought to have placed there.
